Henry was born July 18, 1923 in Greenpoint, Brooklyn. He was born in the middle of seven children. On May 6, 1942, Henry enlisted in the Army Air Corp. and flew 35 missions in the pacific theatre of World War II where he earned the Asiatic-Pacific Theatre Medal w/1 Silver Battle Star, Philippine Liberation Good Conduct Medal, Air Medal w/1 bronze cluster.

Upon his discharge in October 1945, he returned to Greenpoint where he met

and married the love of his life Dolly. They were married for 73 years. He worked for 34 years at the Brooklyn Union Gas Company and enjoyed a retirement of 38 years. He moved to Dover, Delaware in 1985 where he and Dolly officially started to enjoy retirement. He moved to Florida five years ago and thoroughly enjoyed the Villages and the Florida weather.

His legacy like so many of his generation was his humility. His life was simply in delivering his present thought, yet complex in how he understood life's challenges toward him. A brilliant simple man who shared all he thought sacred with a warm smile and uncanny wit. He was a role model to his family whose shoes cannot be filled.
