“ *I was privileged to get to know Mr. Mitchem briefly while working closely with his fine sons at Henry Mitchem Equipment Co. He was a great man who built a nice business and helped many people become successful through the years. Although death may take the body, nothing can take the memories we have of all the years shared with him. He was a man of faith and through that faith we know he is in a better place and we will see him again. Thoughts and prayers are with Juanita, Kenny, Barry, Philip and the entire Mitchem family in this time of sorrow.*

“ Henry was the most influential man in my spiritual walk. Even though I have not been as faithful as I was taught, the lessons were never lost. He was a great mentor both in my faith and as a gentleman. He was a wonderful friend and I will miss him very much.
