“ I had no idea that when God blessed me with Concetta as my boss in Hospice nursing days that the fringe benefit would be this man named Henry. One of a kind, loving, gentlemanly, blessed man of God who willingly received me into his home with his wife Concetta, to guide and instruct, model and display principles of God that were new to us. Our lives were happily and forever changed for the better.

He was a gift to this world and the next.

“ What a wonderful guy who would help anyone. Henry & Connie were part of the Schroon Lake Emergency Squad and were always giving of their time. They both are greatly missed. Henry even repaired my ceiling for me. I was fortunate to know both and greatly miss them. My deepest sympathy to the family.
