“ Dear Cousin Freida and family: I am so very sorry for your loss. I regret that my Dad & I (and siblings & children) were not in attendance to be w/ you and your family. My Momma (A. Joice Barksdale Fritsch) loved you and Buddy very much. It has been years since we have been together. Know that I recall the times we were all together with fond memory. I would very much like to see you all. Please contact me, I would love to see you, your children and grandchildren. Though we are saddened with yet another family loss I know Buddy was welcomed with open arms and the heavens have rejoiced! Again I am so very sorry, as I know he was "Your Buddy", and we were allowed to be only a small part of the life you shared. I know your pain and sense of loss are monumental. Respectfully and with love vonnie

“ My name is Winter. I am a participant in an international volunteer work. I spend many hours sharing scriptural comfort with families such as yourself, trying to cope with the loss of a loved one. I am so sorry for your loss. Like many, you may have wondered :Will we ever see our dead loved ones again? I show them what God's Word says. Revelation 21:4 -"He will wipe out every tear from their eyes and death will be no more, neither mourning outcry or pain be anymore the former thing have passed away." For even more evidence I read to them John 5:28-29. Jesus tells us," All those in the memorial tombs will come out.' Reasoning upon these verses and many other , we see that death will be gone forever, and those we lost will be raised back up to life. Learning what the Bible really teaches has helped millions cope with death. So does knowing God promised to bring these things about. I hope these verses help you, as they have so many. My sincerest sympathies.
Very Truly, Winter Gainey
