“ He was a dear forever friend. Even qt a distance we would catch up on the phone every few months. I will miss our chats and not being able to give the other honest advice you only get from a true friend. I am just shocked and wish i had gotten to connect before we lost him. I know he will see this looking down from heaven knowing i would be there if i was not 3 states away. Im sorry for the family's loss. We will all miss him.
