### Obituary of Herbert Stutz

Herbert Dwain Stutz, 85, Summerfield, FL died on Sunday, December 29, 2013. He was born March 3, 1928 in Carmargo, Illinois.

Dwain married the love of his life, Marilyn, on December 27, 1952 in Danville, Illinois and by 1967 they had two children and Dwain was starting Stutz Industries in Elkhart, Indiana. Dwain was incredibly successful as an industrialist and businessman and in 1976 he sold the camper top business and with Marilyn by his side he moved to Tavares, Florida. Within a few years their love of the business world had them ensconced on weekends at Renninger's Flea Market in Mount Dora. Dwain sold tarps and bungee cords and clearance lights while Marilyn was running a very successful Tupperware business from the booth next to him. As much as they enjoyed this part of their lives they decided to sell out and finally "really" retire to their home in Tavares, later moving to their new home in Summerfield, near the Villages.

Dwain is survived by his wife, Marilyn, his daughter, Janet Burr of Leesburg, Florida and his son Steve Stutz of Elkhart, Indiana. He has 6 grandchildren and 11 great grandchildren.
