“ *Charlotte, Susie and Lisa my heart hurts with yours at the passing of your dad. I pray that you find comfort in days to come. I rejoice with you all knowing that he is in heaven with all the family and know one day we will see him again.*

*I have so many memories of my Uncle Herbert over the years and going fishing with him and listening too all the stories he told. Herbert was always loving, kind and giving and I will always be thankful for his words of wisdom and guidance over the years.*
