“ Marty & family, Reading Hilda's obituary brought back many memories of GTE Muncy and Reach Road and all the good times we had. I remember her giving me many prints and talking and joking about all the people who were there. I retired on July 8th 2011 and we have since moved to Louisville, Ky to be near our children and grand children. I hope your family will help to bring you help and comfort during this time as our kids and grandkids have given us. Please keep in touch and my prayers are with you. Dick Bryan
