“ A dear close friend who through the years has always been there for me cheering me on when things got tough. He loved his fishing, boats, and cherished his memories made with family and friends. Hilton will be missed by all of those who knew him and wanted to be part of his life. May God bless his wife Jane, daughter Lisa and for all those who had the opportunity to know him. Give them strength to continue on as Hilton would have wanted.

“ my sincerest condolences to the Family. I remember Hilton as fun to be with , even though it has been many years since we saw each other. As children we played together around and under Grandpa Reeves old house in Alabama. Then in Fla we went fishing together with the families to local canals and to Lake Okeechobee. Loved the fish fries and family cook-outs.

“ We all grew up together in Davie, Fl. His brother Shelton was my best friend when we were very young. Hilton was always a good cousin. He put together one of our last reunions that was very successful. Although over the years most of our cousins have went on our way to our own lives, I still remember some of the good times we had together. Hilton will be missed and always loved.

“ Much love and prayers to all of you during your journey as you adjust to the monumental loss of your husband, father, grandfather, brother and uncle. Hilton was not only my co-worker for many years but my mentor and most importantly he was a dear friend who I loved dearly. May the sweet memories you hold dear sustain you as they do me.
