“ *There are no words for how we feel right now. I can still see Holly dressed in her pretty frilly dresses when she was little. She always had a smile and kisses for everyone. I remember the fun times we had in Anderson when I would babysit. She moved away and I didn't get to see her as often though. The last visit in Florida is one I will cherish. The hugs and tears that we shared at the airport, I can still feel. Stretch and I wish we could be there with Aunt Rosie and Mia and the rest of the family. Know that our arms are around you even though we are in Indiana. Our prayers are constantly with you. Love Always, Peg and Stretch*
