“ Bert, For the six years that I knew you, my life was going through a lot of changes. Yet, you would keep me laughing and smiling when I was having a difficult time. When I left the department to move into another one, you never stopped making me feel like we are friends. We would talk about our families, and you always Loved looking at my pictures of my children and grandkids. And you would always tell me you missed me working with you. God must have needed you working for him in heaven. God couldn't have picked a more deserving young man. I just wish he had not taken you so soon. I will miss you the rest of my life. I always jokingly said you were like the son I never had, because you made me feel welcomed my first days in the kitchen. And we were friends from the start when I didn't know anyone, or know the job. You taught me so much. I will keep your entire family in my thoughts and prayers as they go through the difficult days ahead of missing you. I will always miss you Bert. ❤️

“ From heaven he was delivered As a baby boy unto you, When God said to me softly I'm trusting you to do Everything that's needed To nurture and to love He's your little angel Sent from me above. You see...spirits cannot be Held, hugged or kissed The body that was his vessel Is what you'll surely miss But his spirit that I shared with you On that one special day That is what I promise To never take away. So he is back in heaven now The earth was not his place He taught you all he could About dignity and grace So as you grieve and weep To see him once again I promise he's waiting here When you get to heaven. © Colleen Mclean Smile on Bert, smile on...you will be greatly missed! “ There is no words that can comfort you and your family, to have lose a son I couldn't begin to know how you feel, Bert was a wonderful person who smile often and he loved his family and we loved him. We will always remember him in our hearts and we will pray for those he left behind to have the strength and faith to go on and to remember he is always with you in your hearts . We love you Pam and your family.

“ He's Only Gone on Ahead He's only gone on ahead of you, Not just left you behind. Although you can't be with him right now, He lives on in your heart and mind. The day will come when you'll meet again On Heaven's distant shore, And the two of you will walk hand in hand Together forever more.
