“ Kathy and I were so sad to hear about Hugh's passing . We send our sincere condolences to Sadie and Hugh's Children Kim and Todd. All I could think about that day were the times Hugh and I shared the 10 years we worked together and he was my Sales Manager at Fuqua. He hired me in 1979 at a time I really wanted a better opportunity to provide for my family. Hugh gave me that chance and I will always be grateful for that chance to make a better living for my wife and children. He was a great person and a outstanding individual. The most memorable characteristic was his sense of humor and easy going relationship he had with other people. His southern demeanor and happy respect of all he met made him immediately likable. Hugh taught me a lot about sales and more importantly about life and having positive relations with other people. We also had a lot of fun in our business and relationships with our customers. Everyone that we worked with or sold to loved Hugh and respected his professionalism and sincere interest in their success. I always looked up to and learned a lot from this good man. When we left a customer or a friend Hugh always said as leaving "Be Sweet" in his very special way of saying that short but so meaningful phrase. So my friend "Be Sweet" and God Bless....

“ Sadie, I was very sorry to hear about Hugh's recent passing. As you are surrounded by family and friends over the next several days, I pray you will find comfort and peace as you celebrate Hugh's life and reflect on the time you spent together. There have only been a few marriages that I have bragged about over the years and yours and Hugh's was one of them. The love you shared for one another was obvious to everyone who spent time with you. It was the little things I watched you do for each other that I will always remember most. Hugh was a man in love and you were the love of his life. My deepest and sincere condolences to you and Todd and Kim and to Heather, Aaron, Andrew, Sarah & Doug. Respectfully, Dave Rogers

“*What a wonderful legacy, he has left for family & friends to remember and to continue in his memory. I did not know him personally, but I know his grandson, Doug. He has made his beautiful memories known, so he shall live on in those for me, as well as those who did indeed know him. He helped to raise an upstanding young man...and, that in of itself is promising for a better future for everyone. My thoughts and prayers are with you all during this difficult time. Hoping you can find comfort in the celebration of his life.*
