“*Dear Bob, Shari, Erin, and Family, Please accept my deepest sympathy and condolences on the passing of Hylda. I hold fond memories of Hylda as she was a truly unique and extraordinary person. She also made the best lemon pie ever!! From my early days at MNHHS, Hylda taught me a great deal, particularly about classroom management. The main take from her was that you could have a lot of fun with the students in class, but discipline and order went hand in hand with the fun times. Hylda was an exceptional teacher and mentor. Through her mannerisms, dress (loved those sweaters), knowledge, and actions she was the epitome of a true educator and business professional. I will never forget the great times we shared with our students and other faculty back in the days. Please know that my thoughts are with you at this time. It is with treasured memories that I am sincerely yours, Cindy*
