“ Mrs Jordan was very special to me. My family and I were so lucky to have neighbors like Bob and Mrs Jordan. Mrs Jordan would always tell me the story of the first time I met my new neighbors. I guess I was a curious boy and wanted to know who these strangers were moving right next door to me. I went over there to say hello and soon there after became close to Mrs Jordan. She was like a grandmother to me. I will never forget the many days my sister and I got to spend time with her. She taught me so much and I will never forget the moments I had with her. I am so happy to have had Mrs Jordan in my life and I love you Mrs Jordan. I will miss you and I will always remember what you meant to me.

“ Mrs. Jordan and Bob have played a huge part in my life, but Mrs. Jordan especially. She is like a grandmother to me. When I think back to my childhood my greatest memories are with her. I remember spending my summers with her playing the board game aggravation for hours while drinking apple cider, swimming in her pool while she closely watched over me and my brother, and just relaxing on her back porch while we talked. Mrs. Jordan you will be greatly missed. Love Anna Maria Stanganelli.

“ We met Mrs. Jordan 22 years ago when they moved in a house next door to ours. She became a second grandmother to our kids and a very close friend. Mrs. Jordan was always there to give a hand or just to sit and talk. Mrs. Jordan and Bob became family to us. She would always remember all of our birthdays. Even though she moved away Mrs. Jordan and Bob would always come back to visit us often. Mrs. Jordan will be missed greatly but we will always feel her presence.

“ Farewell, my dear friend. I have so enjoyed our Sunday evening puzzling. Sometimes we shared very few words, but I always enjoyed the company. When we first met when we ran for the Board, I quickly understood that you had strong values that you always honored. To the Jordan family, my heartfelt sympathy. I am just so sorry.
