“ *What a wonderful Aunt! I will always cherish the time she spent with my brother Adam and I and took us camping. Once while camping they closed the women's bathroom for cleaning just before check out time. Well this didn't sit well with my Aunt Irene and nobody was using the men's bathroom, she proceed to shower up in the men room, well to say the least management was not pleased and kindly asked her to leave. Thanks for the laughs! RIP Aunt Irene! Love Sara Nebgen.*
