“ My love and prayers are with all of you at this tender time of the passing of your wonderful wife and mother. I have many fond memories of Aunt Irene. One of which I have used or have tried to use a lot of my life. We were visiting one time and I remember having some snacks which included potato chips. Aunt Irene poured some into a small bowl for herself and said she liked to do that or else would eat the whole bag. That stuck with me for some reason. It also has been good for me as I too am one that can and could eat the whole bag. I usually put some in a smaller bowl just like Aunt Irene taught me!! Much Love, Mary Saliwanchik Dunn
