“ Lew, Words are so inadequate at this time, but you surely know that our thoughts and prayers are with you and the family. Remember, I chased you for years and finally in 2006 found you at 'zabasearch.com' and then the most memorable 2 week trip to Newfoundland Sept 2007 with you and Irene, also your cousins Clyde and Betty Way, Winston & June Norris and others(all because you and I served together in the USN WW2 era NEAR 60 YEARS AGO)which is the most MEMORABLE and unusual event in my and Irma's life. Certainly you and Irene have left a lasting MARK on our hearts that we shall CHERISH all the days of of our LIFE and WE will always stay NEAR you. Richard and Audrey Widick join us in our condolences. May God nourish you and family with his Holy Spirit in the coming days and months ahead. Our Continuing Love, Tom & Irma Bunting

“ Lew, I did a rather lengthy condolence at time of the funeral, but it never got recorded. I mentioned our NAVY days, told about our finally getting together near 60 years later and the beautiful 2 weeks we spent with you and Irene in Sep 2007 in Wesleyville, NFLD. I thank our Lord for this and for an event none of us will ever forget. From time to time I will print 5x7 photos of that trip which you and Irene never saw and mail to you. I sent some to you all, Betty and Clyde, and June and Winston. Thank God for tne NET or I would never have found you and Richard Widick. I called him on Irene's passing and he asked me to express his sympathy and condolences to you. Irma and I regret not making her service, but promise I will stay on touch as long as I live and look forward to one day getting down to see you. And, it would thrill our hearts for you to come to Louisiana. Lew we thank God for all the precious memories of you and Irene and may this be a comfort to you. Our Love, Tom & Irma
