“ Dear Sweet Aunt Iris: I will miss the softness of your touch and the kind smile you always welcomed me with. These memories of you live in your children whom I treasure greatly. You have been called from the place of your dwelling, After time, after duties, after separations. May blessed soul-friends quide you, May helping spirits lead you, May the Gatherer of Souls call you, May the homeward path rise up under your feet and lead you gladly home.

“ *Diane, Nancy, Billy and your families. You were able to give your mother the best gifts you could. The gifts of dignity, love and free choice. I know it is sad to say good bye, but Aunt Irie is only as far as your hearts. I want y'all to know that she has a special place in ours as well. In this time of family, John and I send our thoughts and prayers. May God Bless all of you. Love Linda*
