“ We only knew Brad casually. We thought he was a delightful man. He was always upbeat and happy whenever our paths crossed. Linda took one of his classes and enjoyed her time there. Our condolences for your loss.

“ Our deepest condolences go out to my Grandmother and the entire family. We are saddened by this tremendous loss and promise to always uphold my Grandfather's legacy. As a young kid, his card tricks amazed me and I tried to replicate his clogging skills. When we would go out in the Villages, I used to feel like I was with a celebrity. He was an Actor, a Broadcaster and the waitress' adored him. My favorite activity was him walking me through his office pictures as it highlighted the beautiful life he lived. He will continue to inspire me and I was lucky to have such a strong, smart and fun Grandfather. All our love, Julia, Adam and Taylor

“ I just learned of Brad's passing. Please accept my condolences. Brad was a very very dear friend. We met at Angel Flight and soon became fast friends. The last time I saw Brad was when I surprised him by returning to Florida for Brad and Thirza's 50th wedding anniversary. I will never forget his kindness and just the sound of his voice. He will be missed by all who knew and loved him.

“ Dad, You will be sadly missed by our family and your friends. We will always have a special place in our hearts remembering all the good times we have shared. You have showed us how to live life to the fullest. You loved to act, clog, speak at functions, help others at your church or whenever our family had a need you were there to help us. Retiring at the Villages was a wonderful place for our family to travel to. We have so many fun memories, Disney World, swimming, golfing, riding the golf cart, showing us card tricks, enjoying Thanksgiving together and many more memories. You have been a caring father, father-in-law, grandfather and great grandfather. We love you. Love always, Dave and Mary Lou Craig

“ Thirst and family, Rest assured that you have been and will continue in our prayers. We have so many wonderful memories of those days we shared at Heritage Church. Our prayer is that He give you peace, a peace that He alone can give. Brad has run the race and won his crown. His aches and pains are no longer of any concern whatever. He is with those he loved in earlier times and, one day, we'll all be reunited! What a day that will be! Blessings in Jesus, Irene & Ron Reibie
