“ *Uncle Jack was an uncle, mentor and friend to me. My memories growing up and spending time in Ravenna with him, Aunt Joyce and my cousins Steve, Bruce and Ken were some of the best I have!*

I loved golfing the most with Uncle Jack. From "Rolling Hills" in Ravenna to Florence to the Villages, we always had a great time.

Uncle Jack always had sage advice for me over the years. One of my favorites (although not the most serious) was I asked him if he wanted the cream and sugar for his coffee. He said "Bobby that takes too much time!" I've been drinking black coffee ever since! I will miss him. Bob Griswold Jr

“ I met Jack and Joyce at the American Legion purely because of their last name, Griswold. They are both sweet loving people. We instantly became friends. When they entered the Legion they were greeted by many and loved by all. He is missed already and my heart breaks for Joyce. They were a lovely couple and my thoughts and prayers are with them always.

“ Jack and Joyce were one of the first couples we met when we moved here in 2002. It was an Alhambra golf scramble and cookout after. We just started visiting and knew from the start what a great couple . As the years went on Jack and Joyce never missed a party and we're always smiling and having a wonderful time. A couple anyone could tell absolutely adored one another. Jack was the kindest caring man. And a gentleman. He will be missed!!!!We are so very very sorry, Joyce. Sending prayers and hugs to you, and your family. Ron & Theresa Fox

“ Jack was one of the nicest and kindest man that I have met in a long time. I met Jack and Joyce at the American Legion last year. We instantly became friends. That's how they were. I was always happy to see them. For me, the Legion won't be the same without them. I used to joke with both them and tell them that I wanted to adopt them as my parents. They both said "sure"!! They were so devoted to each other. My heart aches for Joyce. I am so sorry for the loss of Jack. My sincere condolences and prayers to Joyce, and her family.

“ We are so sorry for your loss. Jack was truly a remarkable man. From the moment we met him, he made us feel welcome and at home, as if we had always been a part of the family. His warmth, kindness, and generosity knew no bounds—he had a gift for making everyone feel like they belonged and we are grateful that he was, is and always will be Joey’s additional grandpa. The love he gave to his family that also stretched across the world in later years, was truly extraordinary. He leaves behind a legacy of love and openness that will be remembered always. Our thoughts are with you during this difficult time
