“*Dad, on this your birthday, I want to say that God truly blessed me with an extraordinary father. He was loved by all, especially me. He ended every conversation with 'I love you darlin', and I just want to say 'I will love and miss you forever dad'. Your loving daughter, Sheree*

“*Jack was a Father to me for a long period of my life. Jack was a friend as well. I met Jack while courting Sheree and new immediately that I was in trouble. Thats when I met my life line....Ruthie. Thank God for her courage as we spent my Birthdays in the shed making liver and onion because Jack did not like the smell in his house...lol.. I have some of the greatest memories with Jack and the days in the Florida Keys. I am fortunate to have had almost 30 years of solid ground with Jack as my friend. I love him and will always cherish our relationship. TJ*

“ Always the life of the party...Jack,you were the life of my life...growing up with you being my favorite uncle since the age of about 5 years old, was very rewarding.....every child should have an uncle such as you....I will always cherish going on dates with you and Ruthy, driving you baby blue convertible as a teenager and spending these last few visits with you and Carol...for me it was quite a ride, one that everyone should enjoy!!!!
