Jack K Peters, 83 of Lady Lake, FL passed away on March 5, 2024. Jack was born in Uniontown, PA on January 21, 1941 to Charles and Bess Peters.

Jack was a unique individual with a very smart mind. He was a programmer in the very early days of programming. He loved cars, technology, games of all sorts, music particularly classical, traveling and a 'deal!'. He was an avid reader of a wealth of topics and loved to share the information he learned. Jack and Karen traveled all over the world before and after his retirement. They were active members of the Twentieth Century Wagontrainers (TCW) FMCA club. Jack was the newsletter publisher for many years and created newsletters full of pictures of the club's events and travels which were greatly enjoyed by the members.
