

## Jackie D Fagan

October 9, 1948 - March 22, 2021

Jackie D. Fagan came into this world on October 9th and transitioned from his physical body into a place of rest on March 22, 2021. He was a resident of Weirsdale for 70 years. Jackie was an amazing person who loved God with all his heart. He placed God first in all he did. He was an amazing husband and the love of my life.

He loved his children with all his heart. He referred to his son as a child to be proud of and to his daughter as "My baby Girl". Jackie loved to talk about how much fun he had growing up with his sister, brothers, and cousins. He loved playing on the banks of the Ocklawaha River building forts and swimming with the gators. As he traveled through the stages of life he learned his profession from his father, Bud Fagan. He was a water well contractor who appreciated and respected all of his customers. He and the Fagan family are all respected throughout the community. Jackie loved teaching God's word wherever he went and would quote 1 Peter 2:24 "By Jesus stripes ye were healed" and Romans 3:23 "For all have sinned, and come short of the glory of God". My Jack has been healed and will rest in eternal peace forever. This is not good-bye, but we will all be together again one day. We love you with all of our hearts, rest in peace my Jack Jack.

He was predeceased by his Dad Jasper "Bud" Fagan, sister Saadia Fagan Brown, and granddaughter Ashlee Marie Fagan. Jackie is survived by his wife

Brenda, son Andy (Dana) Fagan of Weirsdale, daughter Kerry Fegly, Palm Bay, mother Bertha Lee Burden Fagan, brothers Rod (Crystal) Fagan and Greg (Sandy) Fagan, 5 grandchildren, many nieces, nephews, cousins and friends that he adored with all his heart.

“ *My condolences to you and your family Brenda "Pug". Although not seeing Jackie for a long time, I constantly remember my uncle! Those memories were some of the fondest memories of my youth. From when I was a child getting in the way while he was building his house on the Oklawaha River, to dove hunting, riding his dune buggy, exploring the orange groves in the area and the times when he taught me some of his trade in drilling wells. We always stopped to get Bordens Dutch Chocolate milk. He loved it, as did I!*

*I will always remember my Uncle Jackie! He made a great impression on me!*
