“ Dear Bill, We are so very sorry for the passing of your beloved Jackie. We were so honored to be part of your beautiful wedding and we just loved how friendly and caring she was with us. She was a very strong and courageous woman who endured so many years of this horrible disease and never gave up and fought to the very end to beat it. We will miss her dearly and we know that she is now resting in God's hands. Please know that we are here for you and will be joining you when the memorial service takes place. God bless and may you find comfort in God and everyone who loved her.
