

Jalna J. Probasco

July 28, 1941 - May 2, 2020

Jalna (Jolly) J. Probasco was born July 28, 1941, in Springfield, Illinois to the late Mr. and Mrs. Terry and Geraldine Henderson Jennings. Jolly peacefully passed on May 2, 2020 in The Villages, Florida at age 77.

Jolly enjoyed a wonderful childhood growing up in her family's funeral home in Mason City, IL. She and her beloved husband Errol Probasco met in central Illinois and were married in 1960 and had 3 sons.

Jolly was a gifted musician who taught lessons and accompanied student performers for many years. Errol's grandmother gifted them a grand piano as a housewarming gift for their first home, and the piano was a treasured member of the family.

While raising her sons, Jolly became the organist at The Center in Palos Park, IL. She provided the music to over 8,500 weddings in the beautiful chapel in the woods.

Jolly and Errol retired to The Villages in 2007 and enjoyed their golf cart rides, softball games, nearby casinos, and life in the sun. Jolly was blessed with 10 years of Florida living and treasured every moment with her husband, family and friends who came to visit.

Surviving Jolly and honoring her memory are her husband Errol, her sons Todd (Lisa), Mike (Suzy), Scott (Alicia) and grandchildren Ryan, Lindsay, Caroline, Catherine, Mary Claire, Annabelle, Audrey, and brother Ted Jennings (Linda).

At a later date, Jolly will be memorialized in a family cemetery in San Jose, IL.

Arrangements entrusted to Beyers Funeral Home and Crematory, Lady Lake, FL. Online condolences may be left at www.BeyersFuneralHome.com

“ Jolly, was my husband's first cousin. Now both reside in heaven. We were teenagers when we first met and we tried to keep in touch throughout the years. I spoke to her a few months ago and learned the cancer had returned. But like her nickname she was still upbeat and JOLLY. Last week, I mailed her some family pictures and keepsakes . Sadly, they never reach her in time. Errol let me know they arrived today,
One of my favorite pictures was of her family in the parlor above the funeral home her folks owned, with Jolly seated at the grand piano. Her parents and brother must have been listening to her playing on that heirloom grand piano. Whenever we talked, You knew you were talking to someone special. Always positive, always loving and kind, always JOLLY!. Her music was her gift to the world and that made this world better! I will miss her. To her family, deep condolences.
