“ To the Allen and Trosper families-

*It's been a while since I've seen Jim - but I can always recall his smile and upbeat personality! He was so positive about life. Thinking about you all in this difficult time.*

“ Going to miss my buddy and all his sayings. We always knew he was good for a "you go boy" or a "dammmmit man" His great attitude and laugh was contagious. People loved to be around him! He will surely be missed but it's nice knowing he's in no more pain and waiting for us in Heaven.
