“ *We're just overwhelmed with Jim's passing over! However, knowing that we'll see him again is a great relief. Shirley, and family, you're in our prayers and thoughts, we love ya'll and know how hard this is. Remember Jim as a great example of how to live life, doing as you are called to do, as Jim did in many aspects of life. God's blessings on you all.*

“ *Iron Eyes...you were the greatest example of a servant that I know. You were my quiet and loving friend. You will be missed by your loving wife Shirley, your wonderful family, and your friends, but most of all...by all the men in blue. You touched their lives in so, so many ways. Till we meet again, my brother...we'll ride on them streets of gold. RIP All my love.*
