“ Jim and I go back a long way. I was his squad leader and platoon Sgt in Vietnam. We have exchanged Christmas cards for the last 30 years. We used to visit on the phone and actually got to meet in person in Washington DC with the 25th Infantry Reunion. I will not forget my military buddy and I wish to give Donna and the rest of the family my deepest regrets.

“ I served with Jim for many years in the Army Reserve. He was my First Sergeant when I was a Company Commander. He was a rock steady example and inspiration to this then young infantry officer. My heartfelt condolences to the Byle Family. Rest in peace "Top". Thanks for the impact you made in my life.
