James Bowen Campbell, 73, passed away on Monday, April 6, 2015, surrounded by family and friends at Leesburg Regional Medical Center. He is survived by his wife of fifty years, Becky Campbell, children, Cheryl Snellgrove and Paul Campbell and his wife Luz, three grandsons and several great-grandchildren. He was predeceased by his parents James and Marie Campbell and sister Kathleen England.

Jim was born in Cleveland, Ohio and lived in Ohio, Michigan, Indiana, South Carolina, Texas, North Carolina and retired to Florida in 2011. He was passionate about his career in medical sales which enabled him to travel the world. During his retirement years he enjoyed travelling, especially taking cruises with Becky and experiencing places such as Alaska and the Baltic region. After his Alaska cruise, he accomplished his goal to visit all 50 states. He served as an elder in his church, Solid Rock Evangelical Fellowship. He was also very active in the Leesburg Masonic Lodge.

Since 2008, his passion was his ministry in hospital chaplaincy. He volunteered at Huntersville Oaks Nursing Home in NC where he made lasting friendships and relationships. When he moved to Florida, he began volunteering at Leesburg Regional and The Villages Hospital as a Chaplain.

Many people found comfort in his words and companionship in their times of need.

A memorial service will be held on Friday, April 10th at 10:00am at Beyers Funeral Home, 1123 West Main Street, Leesburg, Florida. There will be a reception at the Leesburg Community Center (Venetian Gardens) immediately following the service. In lieu of flowers, the family requests donations made in his memory to your favorite charity.

Thank you for being his friend through the years and making his life full of love and laughter.

“ In Memory Those we Love remain with us, for Love itself lives on. Cherished memories never fade, because a loved one is gone. Those we Love can never be, more than a thought apart. For as long as there is a memory, they'll live on in our heart.

“ Becky, I am so sorry to hear of Jim's passing. I so enjoyed working with Jim at Helena Labs and appreciated him sharing his knowledge with me about "Coag". I enjoyed traveling with Jim and listening to his stories and learned a great deal from him. Becky, remember when we went to Seattle or Portland (don't remember which one) and went to the wine tasting and saw Tommy Tutone? My family and I always looked forward to your wonderful Christmas parties with all of Jim's Santa collection and the train and the beautiful orchids! Jim will be missed and I am a better person for knowing him. Becky, my thoughts and prayers are with you and your family at this sad time.

“ Janet and I were deeply saddened to hear of Jim's passing. We spent many happy times together during visits from the UK to Texas. I also had the pleasure of travelling extensively with Jim on business trips throughout Europe and also with Janet to Singapore. Jim was the kindest, gentlest man you could ever wish to meet. He gave me much encouragement and support in our mutual business dealings. Our heartfelt condolences go to Becky who we also had the pleasure of knowing and to his wider family. “ Becky, Sheryl, Paul & all - Bill & I are so sorry for your loss. I thoroughly enjoyed working with Jim at Helena - he was definitely one of the good guys and a gentleman. Many times Sharon and I had occasion to appreciate his consideration of us as ladies as far as setting up for meetings and making sure we were safe. I appreciated his thorough product and market knowledge and willingness to share and explain. Most of all, I admired and respected who he was as a person and a Christian - his love of family, his honesty and integrity, his love of the Lord. The world is a little better for his presence here and a little less for his calling home to heaven. He will be missed. Our thoughts and prayers are with you. Kathy

“ I worked with Jim for a number of years at Helena Laboratories, and was sorry to hear of his passing. We made a trip to UK together, and I appreciated Jim's world-traveler knowledge. He even helped translate some of the dialects we encountered in England and Wales into "American!" Jim was truly passionate about his work, and was a great educator. Becky, our kids will always remember the Christmas parties you and "Santa" Jim hosted here, and all of the trains and decorations! I am glad you have the many trips and remembrances to hold his memory fresh. May God be with you in the spirit of comfort! Regards, Marc Barclay

“ Thank you for sharing Jim with me. He always had a smile and a serious pat on the back during hellos. His heart was good and always in the right place. Blessings and favor to you all during this time of loss and memories. No longer does Jim need the sun by day nor the moon at night to light his path. Now and forever he has the Lord as his everlasting light. Not too bad of a deal, right? It is what we all long for. He's probably having amazing time about right now. We'll see him on the other side.
