“ Bonnie and Family, It is with great sadness that I hear the news of Howard's passing. Although I was never a student of his, I must say that as a automotive instructor and director of vocational education he had quite an influence in the career path I chose. For this I will be forever grateful. My mom, Sarah, and I have fond memories of the days we were all neighbors in Coconut Creek. He will be missed Please accept our sincerest condolences. Paul, Sarah, Agar, Maria and Michael Gianmoena

“ I wish to extend my deepest condolences to the family of Howard Collins. I had the honor of interviewing Howard for Lakefront TV, during the interview, I was touched by his compassion for the young people of the Civil Air Patrol. Howard was not only a good family man, educator and friend. He was a great American and hero. Howard will never be forgotten because he made this world a better place. I Salute you my Friend!
