“ I have fond memories of playing golf with Jim in The Villages and especially spending time with Jim and family and friends on trips to Disney where he gave us wonderful, guided tours. Jim was always upbeat and a pleasure to be with. My condolences to his family and friends.

“ Jim, you were a blessing in Bill and my life. You were always there for everyone. I will miss you dearly. I will miss your smile, laugh, jokes, and pranks. The last time I saw you, you said that we weren't getting together for Christmas this year, but we would all celebrate New Years. I will leave a place at my table. I hope Nancy will be there and you can celebrate with us from heaven. Our greeting was always " Who loves you, kid." You do Jim", I would always say. I love you and miss, dear friend. RIP Jim.

“ From the first day we met at the golf court, I knew immediately that this was a person to maintain as a friend. He was very polite, Intelligent, well spoken in many languages, all around impressive Human. We had the chance to golf almost every weekend atleast one day, and that was a very joyful day for us. It was 4 of us and we had many great golf outings. He was a Family man, and cared about everyone and their Families. Always had a joke at the ready and kept us smiling even if our golf game didn't. My Brothe Jim you left some great memories in my heart, and I will alway take them with me until my memory fails. On behalf on the Ramos Family and the US Army I Salute you and hope that you can hear my great big Army Hooaaaa from here in Saudi Arabia all the way in Heaven. R.IP my Friend, your mission on earth is complete. Thank you for everything.
