“ Jim was a very unique person. We were blessed to have gotten to know him and spend time with him and Theresa and his friends (there were many) at the river house he loved and at the ranch. He became our friend, one we didn't know we would have in our lives. He touched our whole family in ways we cannot even describe. Jim, we love you and will miss you.

“ For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. (Romans 8:38,39) God bless you "T"

“ Theresa, I am very blessed to have known Jim and yourself. Even though I have only known you both for just a few years since Steve & Sharon bought the river home I feel like I have known you both forever. I have never seen two people such as yourselves so much in love. Each of you worshiped the other. Your memories of good and bad times will sustain you. Jim is now at peace and with The Lord and he is going to absolutely rock heaven. Please know you are in my thoughts and prayers.

“ Tee, Uncle Dick, Theresa and Brenda My heart is filled with grief. My deepest sympathy extends to you all and to his vast extended family and friends. I will miss him greatly as he was not only my cousin but a friend. Your family has filled my life with many great memories. Jim, I am proud to to have known you not only because we are related but because you were a friend and I will miss you terribly. I look back through the years and remember all the nice times I have had because of you and your family. I was one of the lucky ones to have to have known not only your tough outer shell but your soft gentle caring side. It was a joy to see how happy you became after you met your lovely wife Tee. She was a blessing to you as you were to her. I am honored that I was with you when you went home to be with your mom and brother Johnny. I love you Jim

“ We feel a deep emptiness, a terrible sadness - a wish for one more day, one more phone call, one more email, one more laugh. We may not ever understand why Jim left this earth so soon, or why he left before we were ready to say goodbye. But, little by little, we will begin to remember not just that Jim died, but that he lived. And that his life gave us memories too wonderful to ever forget. He was a man that touched all of our lives. We will always mark December 6th on our calendar as the day Jim Curtis went to Heaven. Theresa, our love, thoughts, prayers and support are with you as you begin the journey of healing from this enormous loss.

“ He was one of the best. I loved him so much and will miss him greatly. I will never forget he called me dog face mike after i was born. He is now with grandma and Uncle John and just having the time of his life. We will all join them one day and then we will be back together. I am here if you need anything Aunt T. He was a rough person at times but the biggest teddy bear and lovable man. He always told me I was strong and independent and that I do believe. I have a son that will carry his name (Hunter James). I love him so much that I name my son after him. I have many wonderful memories of being with him. With all my love Uncle Jim will never be forgotten. Love you too Aunt T.

“ Jim, you were definitely one of a kind. We first met when you installed the A/C unit in my mobile home when I first got out of the Marine Corps, and I knew you were special back then. From working together, to sitting across from each other in grievance meetings or sitting side by side on the tailgate drinking JD out of the bottle, you were one hell of a man and I am proud to have known you all these years. Theresa, you are in our Prayers and you have to know that Jim's life was so much richer because of you. Stay strong and keep the Faith.
