“ It will be the little things that we will remember~ The holidays, the parties, the quiet moments, The smiles, the laughter... And although it may seem difficult right now, It will be memories of these little things that help to push away the pain. It will be these memories that bring the smiles back again. ... We lost a great soul when we lost Jim. God must have wanted him up there to set up His spring carnival ! Our hearts go out to Brenda, the boys, the whole family & the friends who cared for him so deeply.
