“ *Its so hard to put this on when there are no words to express the pain in everyone's heart. the only thing you can do is hold on to your faith and GODS promise Jim you went away to soon, I cant understand the circumstances and even harder to accept it. I never told you how much you changed my life. Because of your nagging me to get back into church I went to yours and I felt the presence of God in a physical way and will NEVER deny his existence, for that I thank you. You changed me. I will miss my brother and pray for you Wendy everyday. God keep you all in his grace. Love so much Linda.*
