“ *I am soooo sorry to hear this! My childhood is filled with memories of the Dobrowolski's and it saddens me to hear this. I remember riding my bike when I was little and I ran into a fire hydrant and Mr. Dobrowolski carried me all the way back to my house. Judy, Jack, and Jeff, I am very sorry for your loss and my heart and prayers go out to all of you. Miss you all...*

“ *Judie and family, May our God of love and mercy sustain you in this time of loss. May you be surrounded by the love and support of family and friends. May the positive memories of Jim's love for you, his family and country keep your hearts ever grateful and focused on the source of all that love. May God grant Jim eternal peace. Love, Ralph and Judy*

“ Jim, Good buddy, I'm going to miss you dearly. I'm sure you're now trying for another Hole-In-One in that beautiful golf course in heaven. I will never forget your colorful demeanor and warm greetings. I'm sure you will be giving our Browns the extra blessing they so dearly need. Lord please bless your wonderful and dear family and give them the strength to carry on. With love from your next door neighbor and best buddy John.

“*Judie, The time I remember most regarding your "Love Story" was before you and Jim were married. We were in college, it was Jim's birthday, and you ask me to "borrow" my mother's car to drive you to Dayton to surprise Jim. You tied a red bow around your neck and on the end of a long, red ribbon, had me lead you in to Jim's apartment at which time you told him "surprise, here is your birthday present". I hope this story brings a smile to your heart. Our love and condolences to you and your family . . . Steffi and Lamar*

“*Judie, Please know that I am here for you. Anytime you need a shoulder to cry on or someone to talk to. Our door is always open for you. We were so glad we got to visit with Jim on Sunday. I will miss his big bear hugs and hearing him say "Hello Baby Doll"!! I will miss making him his favorite chocolate cake for his birthday. He really enjoyed his 70th birthday party and we were so happy we could share it with him. He truly loved life and his family and friends. He will be forever missed by all of us. We love you Judie.
