“ *I am so sorry for the passing of James, my condolences to his Family. I know too well the pain of losing a loved one. What helped me during that difficult time is God's promise at Revelation 21:4- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this promise comforts you.*
