“ My deepest sympathy to the Faase family. During times like these, promises from the Bible is comforting. Isaiah 25:8 says: "he will swallow up death forever". God promises that he will one day not allow humankind to suffer from pain and death again. My condolences are with you and family at this time

“ I would like to express my deepest sympathy for the loss you have suffered! Please know that God is a God of all comfort and he will be there for you during this time! God truly cares for you. Jesus said "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." -John 11:25. Yes, God truly cares about us and Jesus tells us we will see our loved ones again! I hope this brings you a measure of comfort.
