“ I write this with such a heavy heart, Uncle Jim. Some of best memories were of your Fourth of July parties. I can still see the firework displays in my memories. And the Christmas Eves I spent with you, Aunt Mary, MaryAnn and Grace are some of the best memories of my childhood. And lets not forget the in depth discussions on politics and current affairs. I didn't always agree with you but I always respected you. You will always be my favorite Uncle and will always be in my heart.
