“ I love dogs, and realize my first and last memories of Jimmy include with dogs. He started first grade with my brother, and our first dog I remember, was one of Jimmy's dog's puppies. The last time I visited Jimmy he visited my Mom and me, and he was quite taken with how my dog sat up leaning against the back of the couch like a person. Jimmy had a good heart. God welcomed him home, filled him with peace, and he and his mother are resting in the arms of the angels. Our thoughts and prayers are with his family. With heartfelt sympathy,
