At the Gate of Heaven suppose you were asked, "Who did you bring with you? Who have you told about Jesus, that will be coming later."

“ *Memories of serving our Lord with Jim are as fresh as yesterday. From Key West to Pensacola all throughout our State during the years when we could have been engaged in other activities...but we were committed to spread His Word to those who otherwise may never have been able to have a meaningful relationship with our Savior.*

My most sincere condolences to Myra his Helpmate and lifetime companion and to his entire family... Know that He is now with our Lord... and will be able to serve Him in the Kingdom forever...(Jim served as:

*Florida State President of The Gideons Interantional for 3 full years
1984 - 1986*
