Obituary of James Husarik

James Albert Husarik was born in Flushing, OH on February 1, 1934, to Cyril and Mary Husarik. The youngest of eleven, he graduated in 1952, from Flushing High School, where he excelled in sports. Jim attended electronics trade school and retired from East Ohio Gas Co. as a telecommunications supervisor, after which, he and Sally moved to Leesburg, Florida. Electronics remained a passion of his throughout his life. In addition, he enjoyed traveling, and together with his wife, Sally, made several cross country trips. He maintained his deep faith and had a great sense of humor. He is survived by his loving wife, Sally Jo Bumgarner, whom he married in 1954. Also surviving him are their three devoted daughters, Brenda Koos (Ken), Carol Baglia (Mike), and Nancy Husarik (Scott Rand); and six cherished grandchildren, Sarah Koos, Brad Baglia, Corrie Baglia, Rebecca Baglia, Joel Rand and Joshua Rand. He is also survived by two of his dear sisters, Ann Randall and Helen Shearer as well as twenty-two nieces and nephews, including beloved niece, Theresa Wolfe.

We welcome, as he would, any stories you would like to share about Jim. At his request, no service will be held.

“ *Jim and I met as employees for the East Ohio Gas Co. It was friendship at first sight. I never have met a kinder man, and a good friend. My career in the Telecommunications Dept for EOG was only because of Jim, and the encouragement he gave me. Jim and Sally have been our friends for more than 40 years. We know no finer couple. Rest in peace good friend, we will miss you.*

“ Had te privilege of knowing and working for Jim as a microwave specialist in his Telecommunications department in Akron Ohio. Did not realize he retired to Leesburg and sorry I did not get to see him during his Leesburg retirement. He was a gifted Communications specialist, an exceptional Boss to work for, never seemed to get stressed out no matter how bad the problem was. Will always remember those telephone calls in the wee hours of the morning asking if I felt like working on a microwave outage, more often than not on the other side of the state and that he would assist as needed! RIP Boss

“ I will never forget all the trips you two and Harold and I took, we had some wonderful times together. Remember to nickel dump, that was a real trip. I think of our times together in Fla also. Sure do miss them. He was a lot of fun to be around. He and Harold can talk over good times up there, and we will all be together again some day .

“ We remember Jim as a very loving and caring neighbor of ours here on Princess Grace Ct. He was witty and had a great sense of humor. Enjoyed seeing him walk around and caring for the flowers . Always enjoyed his company at our yearly picnic and he so enjoyed the "dump cake" I made. We will miss his sweet smile and the funtimes with the neighbors. Don't worry Jim we all will watch out for beautiful Sally for you. We will always keep you both close to our hearts. It is in God's love that we shared him here on earth and now you have called him to be with you. What a lovely transformation that must be.....till we meet again Jim. Enjoy your new home.
