“ Barbara and Family, It was sad to hear that James had passed. AD is a really tough situation for a family to endure. My own family endured sixteen that my mother suffered with AD. James and I were roommates at Robins until your marriage. He was a great guy and I know the family feels a tremendous loss. The Ivey family will be in our prayers. “ *Dad, I will always remember you as the best dad a person could ever ask for. You raised me very strict...and for that, I am forever thankful. You are whole now dad, you have your mind back, a perfect body, you are in heaven...literally!!! Dad, I will see you again one day, I hope I can say many years from now...but when I do...you will know who I am, for because of your awful disease that you had, you have'nt known me for many, many years. Dad....enjoy yourself in heaven!!! I love you very much Daddy, you will be missed greatly.*
