“ Jimmy Johnson that I know was a man who found joy in the simple pleasures of life. Whether he was spending time with his family, working and enjoying the outdoors, or sharing stories with friends, his warmth and genuine spirit left a lasting impact on all who knew him. He will be deeply missed, but his memory will live on in the hearts of those who loved him. I'm sure he and Donnie Marcum are back to storytelling in heaven as we speak, swapping tales and sharing laughter just like old times. Truly will be missed!
