“ I'm very sad to learn of Jimmy's death. He was a good friend through high school who always had a smile on his face and a quirky comment to make everyone laugh. My sincere condolences to his family.

“ Words cannot describe how I felt about Jim. He was a good friend and I thoroughly enjoyed working with him. I had the utmost respect for him. I enjoyed talking about sports with Jim, especially baseball. Jim worked for my consulting firm for the past six years. He was a very hard worker and his clients loved him. All of his engagements lasted much longer than the usual term due to his hard work and how much his clients liked working with him. I will miss Jim greatly. My condolences to Lona and his family. Our prayers are with you at this difficult time.

“ Jim had many friends and I was lucky enough to be one of them. We were friends in high school, college and beyond but lost touch over the last few years. We always had such good times together no matter where we went or what we did. Scott Davidson, Jim and I were the 3 Amigos in high school and I was fortunate to have them stand up in my wedding. Jim loved sports (especially those Bucs) and even came all the way to Wisconsin for a game once to watch them play Green Bay. I think of him every time I hear a Journey song (I think we wore out the live album he had over time). I will always treasure his friendship. I'm sorry for your loss and the pain you must be feeling. I only hope that time will heal the pain of his passing and love will help preserve the wonderful memories he left behind. My condolences to Lona and his family. My thoughts and prayers are with you at this difficult time.

“ So sorry for your loss. It's a sad day. I was friends with Jim in High School and we were roommates at Auburn. He was a great person and very smart. He will be missed. We had so much fun in those years. I lost touch with him when I moved to South Florida. He was too young.

“ I'm so sorry to hear about Jim. He and I were inseparable best buddies during our junior and senior years of high school. Sadly time, distance and life came between us over the years, but I have always and will continue to remember him fondly. Oddly he was on mind the day he passed. Godspeed my old friend and may the Lord hold you in his gracious and loving arms.

“ *I met Jim last year in my assignment at Parrish Medical Center's Finance Department. I will always remember his genuine kindness and thoughtfulness making sure I was doing okay. Jim had a unique balance of professionalism and a witty sense of humour. You could never leave a conversation with Jim without smiling and often laughing. He always made you feel good. My heart is heavy in learning of his passing as I know how so many will miss him. I pray for our collective comfort and strength at this time. To the immediate and extended John family, I pray for that peace that you may not understand now and for God's love to pour out to you in ways you have yet to experience.*

“ Hi Lona I am so sorry to hear of James passing. I know there are no words that can take away the pain you feel in your heart right now, but this passage gave me comfort. When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us. -Constance Parker Graham My prayers are with you and the family

“ Lona - we are so sorry to learn of Jim's passing. I worked with Jim for many years at OPMC. Not only was he very smart, he was very kind and helpful to those of us who did not get accounting in nursing school. He was fun to work with, always helped with a smile. He also played cards with us for several years. May he rest in peace and our prayers are with you and your family. Margaret

“ *Jim was a good friend. I will always remember the fun times and memories we had. He and I loved football (Auburn, Florida and Jags) and playing golf together. We watched many games and traveled to Florida and Auburn games together, and tailgated at Jags games. We worked together at Methodist Medical Center, and played golf whenever we could after work and most weekends. I will miss his friendship and all the good times we shared.*

“ Jim was a very special friend. We met back in 1984 when we worked at Ernst & Whinney, CPAs. We had many memorable times including studying for that darn CPA exam and training for the 15k River Run. I remember a line Jim once said on a very long 10 mile run on Jacksonville Beach. "You know its a long run when it's longer than you would drive for a pizza". Back then, Jim was my best friend and was my best man at my wedding. Whether vacationing together or just hanging out together, Jim was a blast to be around. We had fun watching Donnie and his band. I liked that I could always count on Jim to be there for me and I tried to be there for him. We lost touch over the years but reconnected a couple of years ago and got together several times for dinner, to catch up on old times and talk about life, his kids and his recent move to North Carolina. Jim was enjoying his life and we will all miss him dearly. His old friend Dale.

“ *Jim John was one of the nicest people and truest friends I have ever known. I am honored to say he was my friend for over 20 wonderful years. We worked together and socialized together. Jim helped me through some rough patches and I tried to do the same for him. He had a kind word and a smile for everyone. As much as his loss hurts me now, I take comfort that he will be waiting for me one day in the big Marlin in the sky with my adult beverage of choice already poured.*
