“ *I just found this. James (we called him Johnny) when he was younger was my cousin. I thought of him as my protector in school, being four years older than I. So many memories of him, his brothers and sisters and parents. His mother and my mother were sisters. Much love and prayers sent to his family. Leavie Clark Bell*

“ JJ always had a smile and a kind word. Even as he was nearing the end of this life, he would smile and laugh and ask about you. I remember a couple of days before he passed, I was sitting with him as he struggled to breathe. He has this amazing look of peace and joy in his eyes and he looked at me. I asked him if he was happy. He shook his head no, but whispered he had joy. JJ was a very caring, kind and gentle man. He will be missed. Thankfully, we will see him again.
