“ James was a childhood friend. We went to school together 1st to
12th. He was a very funny guy and lots of fun. He always had a kind
word for everyone and a smile on his face. Even though we went
our separate ways after graduation, I always wondered how you
were doing and where were you, as I think we do with all of our
classmates as we get older. So glad to have found out where you
were, but so sorry to find out you were ill, the past few months.
Even though I did not see you, you were always in my prayers. You
will be missed by all of your friends and family. I hope to see you
again in heaven one day!!! Always a friend! Pam Ashley

“ *Karen, I am so sorry for your truly heart-breaking loss. James was a wonderful man and I know how much you will miss him. I was blessed to have been a part of this long journey. James fought as best he could, but I have never seen anyone fight for her husband like you have done. I've told you before, you are an inspiration to me. The strength you have shown has been immeasurable. I love you all so much! Jo Ann and Dick Wegner*
