April 10, 1949 - September 24, 2012

### Obituary of James Neeld

James "Jimmy" Neeld of Lady Lake, FL. passed away peacefully at home Monday Sept. 24, 2012 in the company of family and under the care of Cornerstone Hospice after a battle with brain cancer. He was 63.

James was born in Trenton, NJ on April 10, 1949 to Robert and Mary Neeld and spent most of his life in Bucks County. He grew up in Morrisville, PA and attended Pennsbury High School where he was a standout athlete. "Jimbo", as he was known by many friends and teammates, was a three sport athlete who lettered in Baseball, Basketball and Football. His achievements and contributions in these sports were recognized by the school in 2010 when he was inducted into the Pennsbury High School Hall of Fame. He continued his athletic career and developed a love for golf at Appalachian State University before returning to the Bucks County area.

Jim spent most of his adult life living in Upper Bucks County as a heavy equipment operator, although much of his free time was spent on the golf course or with his friends at the Amber Inn watching the Green Bay Packers. He retained many lifelong friendships and developed new ones with ease,

because everyone who came in contact with Jimmy Neeld was better for it.

James was a devoted son to his parents Robert and Mary Neeld, younger brother to Robert David and wonderful father to Zachary Hastie. He was preceded in death by his father Robert and is survived by mother Mary, brother Robert David and his son Zachary.

Following the death of his father, Jimmy moved to Florida to care for his mother. Ironically, Mary ended up providing care for him after he developed brain cancer. With the help of excellent care from Cornerstone Hospice and his son Zachary, James passed peacefully and without pain in his own bed.

Jimmy will be greatly missed by all that knew and loved him. At James' request, there will be no formal services so please remember and honor him in your own way. In lieu of flowers, donations can be made to Cornerstone Hospice 2445 Lane Park Rd Tavares, FL 32778.

“ We want to express our sincere condolences to Jim's family and friends. We all remember Jim's smile and easy disposition. He was a good coworker and really made the job fun during the time he shared with us. We saw the notice in the Intelligencer, and those of us that are still at Acme spent the day remembering the fun times of the past. Again, we are sorry for your loss... Jimmy really was special

“ Jimmy and I grew up across the backyard from each other. Lifelong friends since we were 8 years old, we shared many life experiences together too numerous to mention. Jimmy was the brother I never had. We played youth sports together, Jimmy being the best all around athlete I've known. We went to High School and College together and lived with each other thru the years and played alot of golf together until he moved to Florida to take care of his mom, who made the best Christmas cookies ever. Jimmy was his own man with a great sense of humor who was always there when you needed him. Jimmy knew me as well as anyone and I am proud to have been his friend. My heart goes out to Mrs. Neeld and Zach, we were all blessed to have had Jimmy in our lives. RIP Jimbo!!!

“ Jimmy Neeld was a well-rounded athlete/leader whom quarterbacked the Pennsbury Falcons High to great success. I was priveidged to know him and look up to him when as a kid I was waterboy for the Falons coached by my father Erle Baugher. #12 brought gamec and an huge heart. I studied his poise and ability to communicate with others. Jimmy Neeld was not just a winner in psports; he is a winner in life! When attending Pennsbury homecomings lately, Jimmy Neeld is always brought up with a smile. Here's to Falcon #12!
