“ Hi Dad,

So many memories...flying model planes on Saturday mornings, bowling and breakfast Sunday mornings, your favorite pizza "beef and onions," BBQ's, helping my friends with cars and a place to live, Lake Almanor during the summer, going fishing at Lake Chabot, leaving restaurants because the line was too long, driving to Crescent City and being able to talk the entire trip about your life growing up in Wisconsin, watching you do wood working projects including building furniture, making a Dulcimer and making me a chess set which I still have, watching you and Walt build the addition onto the house in San Lorenzo, watching Raider games with you and learning swear words during the games, watching planes land at the San Leandro Marina...

The memories go on and on. I wish you could stay with us longer, but you are in a better place now. I will miss you.

Love,

Alan

P.S. I will go to Wedl's Hamburger Stand in Jefferson, WI and have a burger. I know you'll be right there with me!
