“ Dearest Jim: I say goodbye to a very close childhood friend. Many of days we spent at my parents poolside or in the game room just talking and having fun. You were truly part of our family. You are in my prayers and forever in my heart. I will miss you. Vickie Nagle

“ My dear sweet friend, I hope and pray you are resting in peace and I hope my faith is correct and you are with Jesus..I can't imagine living my life without you...you were so special to me, when you passed away, a big piece of my heart died that awful day too...I met your family (wish It was sooner) and they are such a wonderful loving family, you were blessed to have a great family..and the friends who loved you, Me, I cherished you, loved you and will never forget our many conversations, our stories, our laughs, smiles and how you always made me see the better in my health situations...you were the first one to call me after my appointments and even offered to take me to them ...you would constantly tease me and nobody could ever make me smile or laugh the way you did..I only knew you for 2 years and in those 2 years it seemed like we were friends longer...I will miss cooking your favorite dishes for you...I will miss listening to music on the square with you, having coffee with you, talking with you...I will never forget you and I will always love you..it's so hard without you...and nobody knows the pain i am in....you were my best friend and a true friend....all my love to you forever and always....Kimmy
