“*Dear Mr and Mrs Russo and family , We are part of Danielle's family from Illinois . We had the pleasure of meeting Jimmy at one of our family's vacations with Danielle . He was a great kid, and Danielle loved him and that made him family. We have since heard and followed tons about him over the years . We felt we knew him well even though we only met and spent a short time with him physically. Our deepest sympathies and thoughts go to your family and also my baby niece who also has suffered such a tragic loss. We pray for continued comfort in these next days, months , and more.. Our heart is truly broken for all of you . May God be with you all to help you through this time, prayers . Gone way to soon . Love the Coopers .*”
